## How Your Medical Plan Benefits Will Change on February 1, 2010

The following chart shows changes to your medical plan benefits for services you receive beginning February 1, 2010. A benefit update to your member handbook will be mailed to you in the near future.

Benefit	How this benefit will change on February 1, 2010	Your benefits beginning February 1, 2010
<b>Calendar Year Deductible</b>	<p>You will have a calendar year deductible. This is a fixed dollar amount you must pay before the Plan begins paying benefits for you or your covered dependent(s).<sup>1</sup></p> <p><b>All medical services apply to the calendar year deductible, except for:</b></p> <ul style="list-style-type: none"> <li>▪ Office visits to: physicians, nurse practitioners, chiropractors, physical therapists, occupational therapists, speech therapists, and retail medical clinics at retail pharmacies. Note: Ancillary services such as lab services, x-rays and injections, performed at the time of an office visit are subject to the deductible.</li> <li>▪ Immunizations</li> <li>▪ Pap smears, mammograms and colonoscopies when performed as preventive screenings</li> <li>▪ Hearing aids</li> <li>▪ Wigs</li> </ul> <p><sup>1</sup> Your provider will ask you for your copay at the time of your visit. After services are provided, the Plan will send you and your provider an explanation of benefits (EOB) so you can see which portion of the costs you will be responsible for. These costs include the copay you have paid, as well as the calendar year deductible, if applicable. Your provider will then bill you for any balance you owe.</p> <p><sup>2</sup> If you have family coverage, \$750 in deductibles will apply to your family in any calendar year. The deductible for an individual family member will not exceed \$250.</p>	<p><b>Individual Calendar Year Deductible:</b> \$250 per calendar year</p> <p><b>Family Calendar Year Deductible<sup>2</sup>:</b> \$750 per calendar year</p>
<b>Physician Office Visits</b> (except for ancillary services such as lab services, x-rays and injections performed at the time of the visit)	<p>Your office visit copays for primary and specialty care physicians will increase by \$5.</p>	<p><b>Primary Care Physicians:</b> 100%<sup>3</sup> coverage after a copay of \$15 for Tier 1 physicians, \$30 for Tier 2 physicians and \$35 for Tier 3 physicians</p> <p><b>Specialty Care Physicians:</b> 100%<sup>3</sup> coverage after a copay of \$20 for Tier 1 physicians, \$30 for Tier 2 physicians and \$40 for Tier 3 physicians</p> <p><sup>3</sup> 80% without CIC</p> <p><b>You can also see the following physicians for a \$30 copay:</b></p> <ul style="list-style-type: none"> <li>▪ All non-Massachusetts physicians</li> <li>▪ All physicians in the Plan's Provider Listing who are designated as having insufficient data to be evaluated for tiering (NT/ID)</li> <li>▪ Massachusetts physicians who are not included in the Plan's Provider Listing</li> </ul>

**Note: These changes do not apply to Medicare Extension (OME) Plan members.**
